

Print your own bunting

Top tip

If you want to save on printer ink, you can make some of your bunting out of plain coloured paper – and add in some Christian Aid panels as you go.

Want to give your celebration a little extra something?

Just print off our bunting and get crafty! Here's how:

1. Print off as many pages of bunting as you like.
2. Cut out the bunting panels.
3. Fold along the dotted lines then stick or staple them around a length of string.
4. Hang your bunting, then step back and admire your handiwork.
